The image shows a Google Maps interface with a 3D topographic map of Greece. Several colorful routes are overlaid on the map, representing the OSM Cycle network. The routes are colored in red, orange, yellow, green, blue, and purple. A red route is also visible on the island of Crete. The map is viewed from a perspective that shows the terrain's elevation. In the top right corner, there is a menu with the following options: OSM Cycle (selected), Map, Satellite, OSM Cycle, and OSM Street. Below the menu, there is a small red bar. In the bottom left corner, there is a copyright notice: "Image may be subject to copyright" and a link to "Terms of Use".
